Rationale

The Florida Public Assets for Liquidity Management - FL PALM Portfolio is rated 'AAAm' by S&P Global Ratings. The rating is based on S&P Global Ratings' analysis of the portfolio's credit quality, investment policies, market price exposure, and management. The rating signifies our forward-looking opinion about a fixed-income fund's ability to maintain principal value (stable net asset value, or NAV).

The pool's investment objectives are to provide participants with the highest possible investment yield while maintaining liquidity and preserving capital, and to maintain a stable net asset value (NAV) of $1.00 per share. The pool is managed to comply with the specific requirements of Florida law, particularly laws applicable to the investment of participants' funds.
